

OVERVIEW

Quick Trip Quote is an app that allows agents to request for quotations of Air, Hotel and Car in 4 types of different combinations, as follows:

- Air only
- Air and Hotel
- Air and Car
- Air, Hotel and Car

Having the origin and destination features along with the calendar for departure and return dates, this app speeds up the process for searching these services, improving the agent’s performance and productivity inside the agency.

BENEFITS

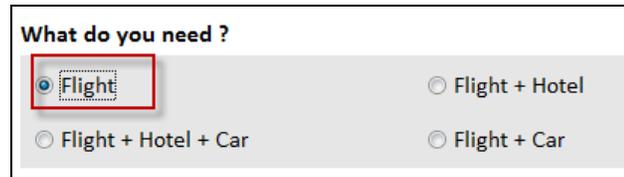

- Increase the speed of the search process
- Possibility of combining services (Air, Car and Hotel)
- Easy to use tool with graphical interface
- Interaction with Sabre Red Workspace Classic View
